Shantilal Patliya

Full Stack Developer

Highly skilled Full Stack Developer with 1 year of experience in developing and managing web applications, including testing with Cypress and Jest. Proficient in both front-end and back-end technologies including HTML, CSS, JavaScript, React, Node.js, and Express.js. Strong knowledge of database management systems such as MongoDB and SQL. Excellent problem-solving skills and ability to work in a fast-paced and collaborative team environment. Dedicated and passionate about staying up-to-date with the latest industry trends and technologies. Seeking to leverage my skills and experience to create innovative and user-friendly web applications for a reputable organization.
